Get "The Site"

LondonProperties.com will provide you, your friends, and clients up-to-date instant detailed MLS information on every home for sale by every Broker in every city from Merced to Hanford 24/7, including property photos.

Empower yourself and add the site to your phone. To add the LondonProperties shortcut to a mobile device, simply follow the directions below:

iPhone(iOS):

1. Open a browser window and type www.londonproperties.com into the Web address bar.
2. Click the  icon at the bottom of your screen.
3. Choose **Add to Home Screen**.
4. Create a title for the icon if you would like and/or simply click **Add**. An icon for www.londonproperties.com will be added to the main screen of your iPhone.

Android OS:

1. Open a browser window and type www.londonproperties.com into the Web address bar.
2. Click the  icon in the upper right corner.
3. Select **Add to Home Screen**.
4. Create a title for the icon and click **Add**. An icon for www.londonproperties.com will be added to the main screen of your Android phone.

Please remember that in order for the map to function correctly you must ensure "enable location" is properly activated.

Whether you're shopping for a new home, or just snooping on your neighbor, you'll love the experience and the power of "The Site."

Once you load "The Site" on your phone, don't forget to add your favorite London Associate to your contacts. When you want to schedule a personal viewing, you'll never need to call another Realtor®. All the information you'll ever need will be right at your fingertips.

Only London Properties gives you the power of "The Site".
